Testing

Yellow (top left):

festing

+ the travis/coveralls/
github exercise
was great!

Licensing

- the slides were probably
good but hard to
follow passively sleepy after
lunch

Cream (top right):

Testing

+ Good example for
Practise

Improve: - Travis, overally
communication could be
more detailed.

+ Travis, Coveralls

- too little time

Pink (middle left):

The automated
testing exercise
was a great
conclusion! It was
nice to practice
insuser & pull reqr
and see the new
toolr in action
Thank you!

Green (middle right):

+ I learned what is
automatic testing
1 will use this in
future

0 demonstration was
quick fast paced.
It was hard to follow

Yellow (lower left):

Useful toals

- But how to design
the rests when
you are exploring
the unknown, the
date is huge, you
are searching the needle
in the haystack

Green (bottom left):

Thank
you
☺

Pink (bottom right):

+ USEFUL TOOLS
AND GOOD MATERIAL

- STILL HARD TO
APPLY IN EVERYDAY
ROUTINE
